**DEPARTMENT OF HEALTH AND
MENTAL HYGIENE/OFFICE OF
HEALTH SERVICES****Subject:** State Plan Amendment Update**Add'l. Info:** Enabling Nursing Home Residents to Pay Guardianship Fees

For dates of service beginning October 1, 2016, the Maryland Medical Assistance Long Term Care program will provide \$50 to \$100 per month for a resident who needs guardianship services to pay a guardian of the person, a guardian of the property, or both.

Freeing up income for monthly fees will encourage participation by individuals who are not able to perform guardianship services on a voluntary basis. The change will require State and Federal payment to nursing homes to increase in order to compensate for the reduction in residents' contribution. This represents an estimated \$216,000 increase in total cost (for changes to the CARES eligibility system) and up to a \$233,550 increase in total cost during Maryland fiscal year 2017 for nursing home payment. These amounts are 50 percent State funds and 50 percent federal funds.

Copies of the proposed changes are available for public review at the local health department in each county and Baltimore City. Written comments may be sent to Nina McHugh, Office of Health Services, DHMH, 201 W. Preston St., Room 128D, Baltimore, MD 21201, or call at 410-767-5003 or e-mail to Nina.McHugh@maryland.gov.
